

## ***SOUTH ATLANTIC DIVISION***

### **UPS**

- ✓ MATOC
- ✓ Managing Sediments in the Watershed Conference – 29-30 Aug 07 – result from NDT and RSM Conferences in Portland last year
- ✓ Turtle Protocol – Great partnering between SWD/MVD/SAD
- ✓ Working GIWW as a System
- ✓ Gulf Hurricane Response Protocol

SAM Mission and METL for SLC: 1

## ***SOUTH ATLANTIC DIVISION***

### **DOWNNS**

- **CZM – Need consistent implementation – Federal Standard**
- **Budget - increased O&M associated with new work – Operations should be part of the PDT and increased \$\$ requirements need to be conveyed to OMB/Congress**
- **Budget – increased O&M due to implementation of PGL 47 – cost sharing of major dike raisings and taking over O&M of placement areas**

SAM Mission and METL for SLC: 2
