## *Downs.....*

---

- Cost of doing business has increased
- Special continuing contract clause
- One away from reaching our Gulf limit for Greens
- Reprogramming rules

US Army Corps  
of Engineers ®

## *Ups.....*

---

- Turtle protocol is working well
- Gulf joint hurricane response protocol in place
- Manage the MKARNS and GIWW as a system
- Finding Innovative ways to accomplish our mission
- Harbor maintenance trust funds

US Army Corps
