

# Course Introduction

Operations Manager PROSPECT Course  
9-13 August 2004

## Course Revisions

- ◆ Driven by OPM CoP Process and Program Changes
- ◆ Designed to better prepare aspiring OPMs as well as enhance the performance of incumbents
- ◆ Taught for OPMs by OPMs
  - Existing OPMs
  - Former OPMs
- ◆ Includes updates in various change areas
  - USACE 2012, PMBP, P2, BL budgeting, performance measures, CoPs, etc.
- ◆ Business Lines covered from both national and local perspectives

## Course Conduct

- ◆ Relatively Informal - Speak up with questions comments or suggestions
- ◆ HQ Day on Wednesday will put you in touch with various Corps and Washington Leaders (unfortunately class falls during SLC)
- ◆ Take advantage of interaction with fellow students
- ◆ We recognize that the hotel location is not optimal and will try to facilitate getting you around DC if you desire
- ◆ Instruction will always be 50 minutes at a time followed by a 10 minute break. Please return on time.
