Headquarters

Operations and Regulatory Corporate Board

The Operations and Regulatory Corporate Board is being formally established to guide the Operations Mission of the Civil Works Program under the One Headquarters concept. A Project Management Plan (PMP) is under development to describe the team, its roles and processes. The PMP will be posted on this page when complete, as will minutes of the Board's meetings and the products of its deliberations.

Location of Corporate Community of Practice Page

http://TEN.usace.army.mil

The screenshot shows a Microsoft Internet Explorer browser window displaying the Engineering & Construction (E&C) community page. The address bar shows the URL: <https://ten.usace.army.mil/TechExNet.aspx?p=s&a=CoPs;18>. The page header includes the TEN logo (Technical Excellence Network) and the text "The USACE Communities of Practice Portal" and "Service Provided by US Army Engineer Research and Development Center". Navigation links for Home, FAQs, and Login are present, along with a search bar. A left sidebar lists various categories like Communities of Practice (CoP), CoP/SME Leaders, Customers Relationships, Expertise, Lessons Learned, Best Practices, Business Areas, Career Development, Centers of Expertise, Automated Info Sys, Educational Resources, Publications, and Sub Communities. The main content area is titled "Community" and "Engineering & Construction (E&C)", with a leader "Donald Basham" and a detailed description of the community's role. Below this is a "Communities" section listing various sub-communities such as Architecture, CADD, Civil Engineering, Construction Management, Cost Engineering, Dam Safety, Electrical & Electronic Engineering, Engineering Management, Geo Technology, and Geospatial, each with a designated leader. A right sidebar titled "Members" lists roles like HQ_POC, SME, RTE, and MSC/RBC POC. Another right sidebar titled "Automated Info Systems" lists various systems like Accident Experience and Analysis System, Architect-Engineer Contract Administration Support System, Army Ideas of Excellence Program Automated System, AUPS, Automated Personal Property Management System, Automated Review Management System, Bridge Inventory System, Business Information Integration Technology/Data Encyclopedia, CAGIS, and CE Automated Legal System. The status bar at the bottom indicates "(3 items remaining) Downloading picture https://ten.usace.army.mil/images/wMiddleRight.jpg..." and "Unknown Zone".

NEWS AND EVENTS

Tomoye delivers record performance for the fiscal year ending June 2004
July 19, 2004
For the fiscal year ending June 30, 2004, Tomoye is proud to report record profitability and strong growth for the year.

New Simplify 4.0 Online Demonstration Highlights Tomoye

TOMOYE DELIVERS KNOWLEDGE POWERED BY PEOPLE

Our customers are proving that knowledge is the most critical asset driving the success of today's organizations — but only when knowledge is driven by the needs and energy of real people.

Tomoye is helping leaders in knowledge intensive organizations worldwide make the most of their collective know-how by building better Communities of Practice. [Read more...](#)
