U.S. Army Corps of Engineers Vision Statement

The U.S. Army Corps of Engineers – One Team:
Relevant, Ready, Responsive, Reliable. Proudly serving
the Armed Forces and the Nation now and in the future.

A full-spectrum Engineer Force of high quality Civilians
and Soldiers, working with our partners to deliver
innovative and effective solutions to the Nation's
engineering and environmental challenges.

- An Army values based organization
- Focused on the mission and those we serve
- Dedicated to public service
- A vital part of the Army

Enabling Capabilities

- Expeditionary mindset
- Interdependence
- Consistent, efficient, and effective business processes
- Flexible acquisition tools
- Learning organization
- Strategic alliances
- Sustainability ethic
- World-class workforce

The Chief's Charge to You

- Assist USACE in accomplishing its multiple world-wide missions
- Embrace diversity
- Lead no matter what your job
- Make a difference
- Actively seek out career opportunities
- Take care of yourself
